It was a fine day for a round of golf. Milwaukee/NARI Foundation held its 21st Annual Golf Outing on Wednesday July 15th, and once again The Starr Group sponsored the 2nd Hole on the Meath course at Ironwood Golf Course in Sussex, Wisconsin. The agency set up shop to distribute complimentary sling-style backpacks filled with extra golf tees, carpenter pencils and sharpeners specially designed for those pencils.

In addition to the backpack giveaways, The Starr Group offered their premium golf gloves to anyone who made a \$10 donation to the Milwaukee/NARI Foundation while on the course.

While waiting for the foursome ahead of them to complete the 2nd hole, golfers could try their luck at correctly identifying 21 golf movies. The member of a foursome to correctly name the most movies won a set of three Special Edition Starr Group Titlist golf balls. Movie titles ranged from 1930s "The Golf Specialist" with W.C. Fields to the more recent 2015 movie "The Squeeze."

Upon completion of the course, golfers gathered in the Barn where they enjoyed appetizers, refreshments and camaraderie. Here they had the opportunity to bid

on packages in the Silent Auction. The evening dinner—sponsored by The Starr Group—was followed by the presentation of a check to the NARI Foundation for the amount of \$6,326.47. These donations would not be possible without the Milwaukee NARI members who participate in The Starr Group's insurance program

for NARI members. The Foundation is always looking to its members to help build the future of skilled trades. Anyone interested in learning the details of the program should call **The Starr Group** office at 1(414) 421-3800.
