

WINTER REMODEL IDEAS

Do you tend to contract cabin fever after the Holidays? You may want to consider a small project to get you through to Spring. Whether for your own home or someone else's, a bathroom makeover/remodel might just be the cure.

Here are a few simple projects to freshen up one of the most personal spaces in your home:

- New Window treatments
- Brighter Wall Paint
- Updated Light Fixtures
- Install New Faucets

For more ambitious souls, installing a new floor and/or wall tiles can be as soothing as working a jigsaw puzzle. Installing new counter tops and cabinets can complete the look.

Bring it all together by simply changing out accessories like matching bath towels and bath rugs.

Since it is the Season of Giving, aging parents will be thankful for the thoughtful gift of your Time and Talent. Keep them safe in their home with bath space updates such as:

- Taller Toilet (right) or Seat Riser
- Taller sink
- Taller bathroom faucet
- Walk-in Tub/Shower

If a full make-over is not in the budget, try some of these simple safety fixes:

- Install hand-rails in existing spaces
- Non-slip/Non-trip area rugs and bathmats
- Additional Nightlights to illuminate the path to the bathroom
