Could COVID Cause A Housing Crash?

As we continue to experience a Nation Wide State of Uncertainty regarding the longevity and severity of COVID-19 many friends, family, forever clients & professionals are asking themselves: How will this impact the Housing Market?

Real Estate Professionals tend to hear the uncomfortable undertone: Is COVID going to cause a Housing Crash?

The answer is simple. Yes... well... maybe... actually... probably not. Simple. Right?

FIND OUT WHAT'S HAPPENING NOW!
